### HOW A TRANSACTION WORKS

**01****Request info**

Spec sheet, condition video, references.

**02****Live demo**

30-min Zoom, every mode walked through.

**03****Offer & settle**

Escrow.com or in person at pickup.

**04****White-glove ship**

Crated, insured; training at install.

### WHY DUAL-WAVE

- **PW mode** — practitioner-directed for pigment/melasma and redness/vascular work most continuous-wave devices aren't built for
- **CW mode** — tightening and laxity, face and body
- Two waveforms on one platform — no second device
- Covers tightening · scarring · melasma · PIH · rosacea · vascular · pores

### BUYER PROTECTIONS

- Live 30-min Zoom demo — unit powered on before any offer
- Recorded condition walkaround, serial visible
- We never hold deposits — Escrow.com by default, or settle in person at pickup; lender-direct if financing
